FUND

Adaptation Planning Support *Progress and Outlook*

Challenges

Proposals design based on national context

Plan to attract financing for implementation

Diversity of delivery partners

Progress

Established transparent review criteria

Improved timelines and consistency of feedback

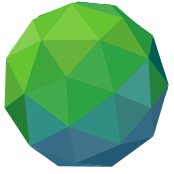

Communicated good practices through 15+ workshops and webinars of LEG, NAP GSP, NAP GN, and others

Moving forwards

Increase # of approved proposals (30+ in 2018)

Increase quality and impact to catalyse implementation

Support NDAs who wish to use national delivery partners

Adaptation Planning Review Criteria

1. Focus strategically within a national vision

2. Plan to address specific climate impacts and vulnerabilities

3. Develop financing strategy for each adaptation priority

4. Articulate theory of change

5. Avoid duplication of effort

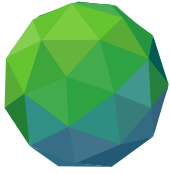

6. Engage stakeholders proactively

7. Build gender considerations

8. Cultivate private sector investment

9. Monitor and report systematically

10. Coherence and complementarity with other funds

FUND

10 Review Criteria based on good practices to date

1. Focus strategically within a national vision
 - Build on existing multi-sectoral planning
 - Greater sectoral or geographic focus produces more precise and implementation-ready planning

2. Plan to address specific climate impacts and vulnerabilities
 - Focus most crucial climate impacts and vulnerabilities
 - Avoid temptation to do same process in different countries

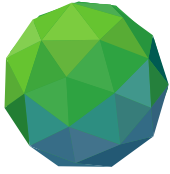

GREEN
CLIMATE
FUND

10 Review Criteria based on good practices to date

3. Develop financing strategy for each adaptation priority
 - Prioritize and design adaptation project ideas and concept notes
 - Identify ways to continually fund sectoral and local planning

4. Articulate theory of change
 - Clear vision of how each output and their activities will achieve the desired result/outcomes
 - Link GCF country programmes, to national development plans, to project proposals

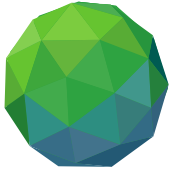

GREEN
CLIMATE
FUND

10 Review Criteria based on good practices to date

5. Avoid duplication of effort
 - Use existing information (e.g. vulnerability assessment)
 - Articulate how new GCF funding will build on / link with previous processes

6. Engage stakeholders proactively
 - Civil society, sub-national governments etc.

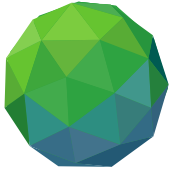

GREEN
CLIMATE
FUND

10 Review Criteria based on good practices to date

7. Build gender considerations
 - How social dimensions, including differences based on gender, will be integrated into the proposed activities.

8. Cultivate private sector investment
 - Create strategies to cultivate investment in climate resilient businesses

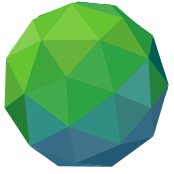

GREEN

Options to channel readiness support

Deliver Partner Options:

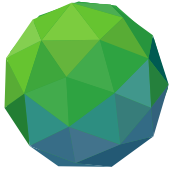

- National
- International
- Regional

- Not accredited: FMCA required
- Accredited Entities: FMCA not required

GCF can provide technical assistance to NDAs to assist in drafting proposals for NAP and PPF support.

Write countries@gcfund.org and/or jspensley@gcfund.org to request.
