Dear Asterio,

PACIFIC ADAPTATION TO CLIMATE CHANGE FULL SIZED PROJECT

On behalf of the Government of Fiji and, in my capacity as *GEF Operational Focal Point*, the Government of Fiji wishes to pledge USD8.6 million as co-financing support for the PACC project. The development activities in the food security and food production sector the government will use as parallel co-financing to build resilience to climate change under the PACC are:

- Government of Fiji Expenditures based on 2006 estimates Drainage and Irrigation
- Government of Fiji Expenditures based on 2006 estimates land Drainage and Flood protection
- Office Space

We look forward to the GEF's approval of this most important project to support our climate change adaptation effort at the national community level.

Sincerely,

Epeli Nasome
GEF Operational Focal Point
